

Open Call: Social Inclusion IT Officer

[Social Inclusion](#) is a cause of ESN International with a focus on making all groups of international students feel included in their international experience. As stated in point 12.3 of ESN's General Policies "ESN stands to promote multicultural, non-discriminatory and inclusive education and citizenship values in university curricula and in education in general. In accordance with Article 21 of the Charter of Fundamental Rights of the European Union, there should be no discrimination «based on sex, race, colour, ethnic or social origin, genetic features, language, religion or belief, political or any other opinion, membership of a national minority, property, birth, disability, age or sexual orientation»." The role of the Social Inclusion team is to manage ExchangeAbility, ESN's programme on inclusive education, and SocialErasmus, ESN's programme dedicated to linking international students with local communities, while also creating the space for further debate outside of these programmes.

The International Board is looking for an **IT Officer** for the **Social Inclusion Team**, for a term starting on 15th July 2019 to 14th July 2020.

The Social Inclusion team is responsible for implementation of the Social Inclusion cause across the network. The team consists of a Coordinator, Communication Officer, IT Officer, SocialErasmus Programme Manager & ExchangeAbility Programme Manager.

Position Description:

As IT Officer you have the responsibility of managing and implementing the IT projects related to Social Inclusion. Many of the challenges related to Social Inclusion can be tackled with technology and IT Tools. As an IT Officer you have to chance to specialize yourself in the field and become an expert on Social Inclusion. You will be in charge of the Activity Registration System (activities.esn.org) and further development related to the needs of the network.

Tasks & Responsibilities

- Support the International Board in the implementation of the ESN International Action Plan;
- Support the Social Inclusion Team with technical and IT knowledge;
- Look for innovative technologies supporting Social Inclusion;
- Management and development of the Activity Registration System;

Required Skills & Expertise

- Good knowledge of written and spoken English;
- Very good communication skills;
- Knowledge of web technologies (HTML, CSS, JavaScript);

- Knowledge of Drupal;
- Knowledge of the SocialErasmus & ExchangeAbility programmes.

Highly Valued

- Experience in working with websites based on ESN Satellite;
- Experience with accessible websites.
- Experience in the ESN IT Community.

Please send a **CV and completed Application Form** to Jeroen van Lent, Web Project Administrator of ESN AISBL, at wpa@esn.org. The deadline for applications is **Sunday 9th of June at 23:59 CEST**. Please note that this is a voluntary position.

In case of additional questions regarding the position, please do not hesitate to contact Jeroen van Lent at wpa@esn.org, or the current Social Inclusion Team at si-team@esn.org.
